Get onto the N2 North or South, which runs directly through Mthatha. In central Mthatha, look out for the intersection with a sign that directs you to the Port St Johns road; it's hard to miss.

Enjoy a beautiful 90km drive that meanders through lush valleys and gentle hills, with many spectacular views along the way. The spacious road is tarred all the way to the clearly marked Umngazi Hotel & Spa resort turn-off.

Please note: The road to Umngazi Hotel & Spa is currently not in the best condition and we would like to ask you to please take it slowly and carefully. In a short 12kms time you will be able to relax and unwind in our special corner of paradise.
