MAP & DIRECTIONS FROM CAPE TOWN

GPS CO-ORDINATES: S 31° 67' 27.77" | E 29° 45' 40.72"

The drive to Umngazi Hotel & Spa from Cape Town is approximately 1348 km and will take about 16 hours.

Take the N2 East, which runs all the way through to Mthatha.

Recent travellers have strongly recommended turning off the N2 50km passed Port Elizabeth (Gqeberha) onto the R72, at Nanaga, and travelling via Alexandria and Port Alfred to East London, where you will re-join the N2.

This route is extremely pleasant and scenic and has considerably less traffic than the other option via Grahamstown.

Once in Mthatha, continue straight into town along Mandela Boulevard, turning left into Madeira Street/N2, before eventually turning right onto the R61 towards Port St Johns. Central Mthatha can be heavily congested at certain times of the day.

Should you want to avoid the congestion in central Mthatha, you can make use of the following easy detour:

Enter straight into Mthatha on the N2/Nelson Mandela Dr and instead of turning left onto Madeira/N2 (one way), continue straight over Madeira and turn right into Sprigg Street (one way).

At the junction of Errol Spring and Tutor Ndamase Ave (traffic lights), turn left into Tutor Ndamase/Tembu.

After a couple of hundred meters turn left into Northwood 6th Ave, which becomes Bernard Schultz Drive. **Please be aware of speed bumps.**

Continue straight until the traffic light junction with R61 where you will turn right towards Port St Johns.

Follow this road to the marked Umngazi Hotel & Spa resort turn-off. **It is important to note that the last 10km road leading to Umngazi Hotel & Spa is not always in the best condition.**

We ask you to please take it slowly and drive carefully on this final stretch, where you will soon be able to relax and unwind in paradise.

Please note:

We would strongly advise that you do not get distracted by anyone trying to suggest alternative routes in Mthatha.
